SUMMARY

A highly motivated and detail-oriented Front-End Developer with a strong foundation in web development technologies. Proficient in HTML, CSS, and JavaScript, I am committed to creating responsive and visually appealing websites that provide an exceptional user experience. I am eager to collaborate with experienced professionals, contribute to innovative projects, and further develop my skills in front-end development. With a passion for staying up-to-date with the latest industry trends and a dedication to producing high-quality code, I am ready to embark on a successful career as a Front-End Developer.
